## **AGREEMENT**

**between the Spanish Multidisciplinary Vascular Access Group (Grupo Español Multidisciplinar del Acceso Vascular, GEMAV) and the Italian GDP of Vascular Access.**

### **Purposes**

This Agreement is performed with the purpose of obtaining a mutual benefit and contributing both to the development of the Spanish Multidisciplinary Vascular Access Group (hereinafter, GEMAV) and to that of the Italian GDP of Vascular Access. Given the existence of a common target such as promoting and optimizing the care of dialysis access for kidney failure patients, the two Groups have decided to sign a general agreement of collaboration based on the points detailed below.

**PART-I. Collaboration in the Italian GDP of Vascular Access and GEMAV Congresses/Meetings**

- a) One or more speakers from both Groups will be exchanged via streaming, although it could be face-to-face in the future, to include them as a “Main Conference” or within a round table in the scientific program of the annual Congress/Meeting of each Group.
- b) Each speaker will be clearly identified in the Scientific Program of the host Group as "Doctor or Mr./Mrs.....” on behalf of GEMAV or Italian GDP of Vascular Access, respectively".
- c) Regarding attendance coverage, the registration fee is free for the speakers of both Groups.

**PART-II. Promotion of the Italian GDP of Vascular Access and GEMAV Congresses/Meetings and the respective Groups.**

- a) Exchange of Links-Logos on the respective websites of each Group, both on the website of the Congress/Meeting and on that of the same Group.
- b) An advertising Flyer of the next Italian GDP of Vascular Access Congress/Meeting will be placed in the documentation that will be delivered to the attendees of the GEMAV Congress, and viceversa.

**PART-III. Support** of GEMAV for educational projects related to vascular access for hemodialysis organized by the Italian GDP of Vascular Access and vice versa.

**PART-IV. Facilitate** that GEMAV and Italian GDP of Vascular Access share the copyright of various publications jointly developed such as handbooks, textbooks or other scientific documents.

**PART-V. Collaboration** for joint scientific initiatives focused on the vascular access field as research projects, Clinical Guidelines, etc.

**Modification and implementation of this agreement**

This Agreement will start from March 1, 2021 until December 2021. It will then be automatically renewed, for a period of 12 months, every year until December 31, unless one of the two parties sends a notice against 6 months before.
